

Head protection

JS 405 Clear

SAFETY GLASSES

Single lens glasses provides comfort and rugged durability

Specific benefits

Comfort

- Adjustable length arms for less pressure
- Extra soft nose bridge for an optimised comfort and perfect fit for all body types

Performance

- Floating lens design that allows the frame to flex outward to fit a broader range of face sizes.
- Impact and splash resistant molded lens.

Easy to use

- Anti-slip ends for an increased comfort and very good hold on the head (or on a helmet)

Durability

- Anti-scratch coating increasing lifespan

Applications

- Agriculture
- Public Works
- Building
- Finishing Works/Craftsmanship
- Manufacturing/Transformation
- Heavy Industry
