

Specific benefits

Comfort

- Unscented gentle formula
- Dermatologist tested

Durability

- Provides 30 Times your natural protection against the harmful effects of UV Rays

Hygiene

- The pump dispenser helps to keep the sunscreen free from contamination, which can be important for people with sensitive skin or allergies.

Easy to use

- The pump dispenser makes it easy to dispense the sunscreen quickly and efficiently. This can save time and make it easier to apply sunscreen evenly to all exposed areas.

Performance

- The 30 SPF rating indicates that the sunscreen can provide protection against 97% of UVB rays, which are the rays that cause sunburn and skin damage. This level of protection can help to reduce the risk of sunburn, skin cancer, and other types of sun damage.

Applications

- Agriculture
- Fishing
- Public Works
- Building
- Finishing Works/Craftsmanship
- Power Energy
